

Fukuoka SRP Center Building

Over 60 companies have chosen to locate their offices in the SRP Center Building.

These companies work in numerous IT-related areas such as software development. In addition to this, there are also several companies working in other areas unrelated to IT.

The common link between all of these companies is that they chose to work in a professional and dynamic environment only 3 minutes walk from the sea.

Why Should You Choose the SRP Center Building?

- **Security;** Guards provide a 24-hour security service for complete round the clock peace of mind. Your office is secured via the use of a special card lock system.
- **Large Office Space;** Our spacious offices will allow you to focus 100% on your work and not have to worry about cramped office conditions. Our pillar-free rooms have a generous ceiling height of 2 meters, 70 centimeters and under floor cabling space of 10 centimeters.

The view from the office, →
Sea and the Fukuoka Tower are seen.

- **Business Opportunities;** The building is located in the heart of the growing Fukuoka Soft Research Park area. Many world famous brands IT-related brands have offices in the area: Hitachi, NEC, Fujitsu and Panasonic. The Sony group also has an office here in the TNC-TV building. Tenants at the SRP Center Building have a unique opportunity to create new business partnerships with other business in the area. The lounge area of the SRP Center Building is a bustling area where people exchange name cards and forge new relationships.

Excellent Facilities; Tenants have a wide range of facilities available to them: restaurants, a post office, a clinic, a dental clinic, a pharmacy, a flower shop, a massage salon and a shop for computer training classes. The building also has a large hall, meeting rooms, seminar and training rooms and a room for computer rental. There is no need to rent additional space for your meetings. As a tenants you will receive preferential treatment at a very competitive price. You will also have use of NTT or QT-Net fiber optic cables for broadband connection.

Superb Views; The building is located within easy reach of the sea, near the Fukuoka Tower and the Fukuoka Dome. The landscaped area around your workplace is in perfect harmony with nature. As the seasons change you will be able to enjoy beautiful views over the Sea of Genkai.

Location; Fukuoka is one of hub cities in the region of west Japan. Almost all major companies have established branch offices here. Fukuoka city is a thriving place with a population of about 1.3 million. The prefecture of Fukuoka has a population of about 5 million. Some foreign companies have used Fukuoka as a springboard into the rest of Japan. In fact, Fukuoka is recognized as one of the most livable cities in the region. Momochi area, where the Fukuoka SRP is located, is a modern and relaxed area with good accommodation, shopping and leisure facilities. Unlike other cities, Fukuoka International Airport is within easy reach of the city center. The travel time, via the modern subway system, is less than 15 minutes from the airport to the heart of the city. You can easily fly out of Fukuoka to cities such as Shanghai, Hong Kong, Taipei or Seoul. When you open an office at Fukuoka SRP Center Building, you are opening an office in one of the most convenient, livable and dynamic business regions in Asia.
